

# GRG NEWS

Congratulations Bruce Hopkins on completing a most "relentless" yet "stunning" journey on The Long Way Home - Te Araroa Trail, walking 3,000km the length of Aotearoa and raising awareness and funds for full-time grandparents and whanau caregivers and the Grandparents Raising Grandchildren Trust NZ.

Thank you a million!

Funds raised via the Givealittle page (which is open until 31 May 2018) and via our website are now over \$20,000.

Fantastic!

Thank you to the more than 230 generous donors for supporting Bruce and our work in the community.

Thank you too, to our wonderful volunteer Southland GRG Support Group Coordinator, Lynette pictured at left, for taking the trip out to Stirling Point at Bluff to celebrate with Bruce on GRG's behalf with Miriam and Geoff Chappell (one of the founders of the Te Araroa Trail and the first to walk it).

A great moment to savour with friends indeed!
