

Bouquet of the Week

Jenny Morton

The recipient for RCP's Bouquet of the Week is Jenny Morton. Jenny is the voluntary co-ordinator for Grandparents Raising Grandchildren in Whanganui and with her partner, raises her great grand-daughter.

She took over the role about three years ago and works with GRG Trust based in Auckland. While Jenny organises the annual Christmas function for grandparents and the children, her 'real work' is providing the support and advice over the phone, sometimes in person, to grandparents who need someone to assist or just to listen. One recent case was of a 72 year old grandmother who has been bringing up five grandchildren and uncertain of what she can claim from WINZ.

River City Press surprised Jenny with the beautiful bouquet of flowers put together by Nichola and her team at the Flower Room, an Inter Flora Top 20 Club member. Jenny also received a voucher for lunch for two at the Grand Irish Pub.
