## Supplementary Submission to the Social Services Select Committee on the Social Security (Financial Assistance for Caregivers) Amendment Bill

Dear Select Committee Members

Thank you for the opportunity to make submissions on the **Social Security (Financial Assistance for Caregivers) Amendment Bill** ("the Bill") on 19 February 2021 in writing and on 24 March 2021 in person via Zoom.

I wish to submit these supplementary submissions to correct a typographical error that was subsequently identified.

In paragraph 1.2 of our submissions dated 19 February 2021, reference was made to the proportionate breakdown of our client membership. The reference incorrectly stated that the proportion of grandparents was 95% when it should have read 93%.

Thank you for your attention to this correction and for including these supplementary submissions in the official record to confirm same and my apologies for any inconvenience caused due to this error.

Ngā mihi nui
